

Proposal to Work

Proposal for Creative Director Position at K?

Period of Engagement

February 1, 2024 - February 1, 2025

Objective

To serve as the Creative Director, focusing on enhancing the company's multimedia and digital presence, customer engagement, and community involvement through innovative strategies and content.

Strategic Initiatives

Utilization of Third Space

- Podcast Development: Establish a signature podcast series, highlighting unique stories or themes relevant to our audience.
- Live Show Broadcasting: Regularly schedule and stream live shows, offering a mix of entertainment, educational content, and community interaction.

Website Enhancement

- Last Major Update: 2019 - Propose a comprehensive website overhaul to incorporate modern design trends, improved navigation, and user-friendly interfaces.
- Content Strategy: Develop a dynamic content calendar that aligns with audience interests and seasonal topics.

Customer Loyalty Program

- Engagement: Implement interactive features like polls, contests, and forums to deepen audience participation.
- Showcase: Regularly feature community artists, storytellers, and creators, providing them a platform to reach a wider audience.
- Market Expansion: Explore new marketing channels to increase brand visibility and attract new users.
- Inspiration: Curate content that resonates with our audience, fostering a sense of community and belonging.

Event Management

- Plan and execute media-related events, including live podcasts, music shows, and community gatherings.

Systems Management

- Efficiently oversee the website and Point of Sale (POS) system, ensuring seamless integration and user experience.

Community Contribution

- Nurture a culture of contribution, where the community actively participates in content creation and feedback.

Responsibilities

- Equipment Management: Oversee the setup and maintenance of equipment for podcasts and music venues.
- Cultural Development: Cultivate an environment conducive to creativity and artistic expression.

Graphic Design

- Embellish all products with unique, artistic designs that echo the brand's ethos, akin to Trader Joe's approach.
- Personalize each product to imbue it with a distinct identity.

Subscription Model

- Research and potentially implement a subscription model inspired by [Okana Drink Subscription](#).

Website Inspirations

- [Provisions on State](#)
- [Spinn Coffee Marketplace](#)

Marketplace Development

- Introduce sections for gift cards and merchandise. Reference: [Koffee Family Shop](#).

Koffee Afterdark

- Develop an exclusive, experiential concept, offering a unique evening experience for the audience.

Compensation Request

- Salary: \$20,000 annually (part-time, no benefits).
- Work Hours: Approximately 10 hours per week.
- Commitment: At least one year, with a focus on long-term strategy and evolution of the platform.

Personal Note

This role aligns with my passion for filmmaking, allowing me to pursue creative endeavors while contributing significantly to the company's growth and innovation.

Xoxo - Alex Gonzalez

Ps Dan this is just a rough draft / chat gpt enhanced based on some notes
