DOMINIC *(gesturing with a fork full of ziti)*

Yeah, yeah, Hugo--my cousin--throws a big party every summer. You'd really like him-- he used to own a cosignment store out in branford but now he throws these parties - for charity you kno - . You and your boy - what's his name?

Jocynlen My dad says everyone should know your dad.

Makayla My grandfather was like that

Cut to:

should join us. The kids can play, we can hang out.

(takes a bite of ziti, then continues)

My old man - God rest his soul - used to tell me - Dominic - baby - get with the times - but he wasn't around much - and I worked the bars - I always respected what he did though - that with the weather - I mean, who knows when the next storm might hit

_Dallas nods politely, but seems a bit overwhelmed by Dominic's energy. Mac stands nearby, quietly listening but not engaging, his eyes occasionally drifting to the edge of the backyard. In the far distance there appears to be an object

_MAKAYLA (12) approaches Dominic, hugging him quickly. She then steps back, looking over at Mac as she adjusts her backpack straps.

MAKAYLA *(to Dominic)*

Dad, I'm heading to the back with the others. We'll be back in 20 minutes.

DOMINIC

20 minutes? What do you got to for 20 minutes?

MAKAYLA

I want to show them the fort

DOMINIC

Ooo the secret fort - - Makayla - when you going to show us the secret fort?

MAKAYLA

Yes, Dad.

_Makayla glances at Mac, making brief eye contact before turning and heading toward the far end of the backyard. She disappears into the twilight, silhouetted against the setting sun.

_Dallas watches her leave, as if sensing something in the air, but doesn't say anything. Dominic resumes the animated conversation.

Scene 27: EXT. MAKAYLA'S SECRET LAIR - LATE AFTERNOON

The deck party continues in the distance. MAC wanders alone near the far end of Dominics's backyard, which stretches to the coast.

Mac stands still, staring at the water. Waves crash against the rocks. He scans the grass, looking for mysterious eyes, then back to Makayla, who's pointing a telescope at the coastline.

Suddenly, a faint whimper--like an animal in pain--echoes from the wilderness. Nautical sounds engulf him, heightening his fear. The grass rustles, but it's unclear if it's wind or something else.

Frightened, Mac steps back, ready to return to the party. But before he can leave, a group of kids emerges from the fog--Makayla, Asher, and others, including Jocylen (13). They move purposefully, faces serious.

Makayla steps forward, focusing on Mac.

MAKAYLA *(firm, yet urgent)*

Mac, give me that shovel.

Mac hesitates, then nods and grabs a nearby shovel. As he hands it over, Makayla turns to the group, her expression shifting to leadership.

MAKAYLA *(lowering her voice)*

Alright, we move quickly. Asher, you're on the lookout on the outer banks. Jocylen, you are on the handling of all aspects bait. Set the traps near the tall grass and make sure the cameras are rolling - Mac - you have to make sure the cameras are rolling too - there will be multiple cameras - and we all will be rolling.

The other kids nod, following Makayla's lead. Mac watches, intrigued and nervous.

MAKAYLA *(reassuring)*

You there Mac, Mac?

_Mac takes a short breath and grasps his shovel. He begins to dig and dig and dig - almost in anger - almost too fast.

MAKAYLA

Alright.

The kids, led by Makayla, move deeper into the tall grass, toward the tallest grass where the coast drops off into the sea. The fog thickens, and the air grows colder.

Scene 28: EXT. THE EDGE OF THE TALL GRASS THICKET

The crew hang around the tall grass as time moves slowly against the wind - against the branches of the tall grass.

_Makayla takes out a pack of hotdogs from Asher's backpack cooler and cleans it on a flat rock - Mac grabs the the shovel leaning against the outer wall of the wigwam - and Asher slowly brings the baitfish over and puts it in the bucket.

JOCYLEN

Makayla this is crazy

MAKAYLA

Yeah - you think?

JOCYLEN

Makayla

MAKAYLA

What's crazy about it?

JOCYLEN

Huh?

MAKAYLA

You said this was crazy - what's crazy about it - Mac get the shovel and dig a hole by the edge of the lawn - we call that the outpost - we're going to plant another camera - Asher - get the rope swing pulley and string the bags of bait. -- See what we do is tie these bad boys to that tree there - and let them swing -

JOCYLCEN

How do we know this isn't just some racoon getting its kicks oabout it?

MAKAYLA *(ignoring Jocynlen)*

Asher - when you get the baitfish - you put it in the bucket.

_Mac and _Asher diligently set up cameras on the surrounding trees - they hook cables up to a battery pack taped onto a wooden panel.

Scene 29: EXT. MAKAYLA'S HIDEAWAY - LATE AFTERNOON

The kids gather at their hideaway--a makeshift wigwam - fort hidden deep in Makayla's backyard old playground set - grass. Inside, houses a rudimentary surveillance system: several portable HDMI Monitors - run by a batterypunk tied to a solar panel. Shovels and buckets and poles are propped up against rocks and driftwood, their screens glowing in the dim light. Cables stretch out towards to a jury-rigged power supply--a large battery bank cobbled together from old car batteries and solar chargers.

ASHER fiddles with the wiring as he ensures each screen is properly connected. Makayla walks over and sits down in front of the monitors. Asher, Mac, and Jocynlen behind her.

MAKAYLA

The creatures are likely to come out tonight - the tide .

Mac looks out the cracks of the makeshift wigwam - through it he watches the tallgrass swaying in the wind.

JOCYLEN

How do you know that?

_They exchange glances.

MAC

What creatures?

ASHER *(setting up a camera)*

The wind will pick up and push the smell out -

JOCYLEN

Out where?

ASHER

Out there.

The camera pans

Makayla watches Asher set up the final camera.

SCENE 30 - BACK AT THE WIGWAM HQ

MAKAYLA *(frowning at the sreens)*

Asher, the camera feed isn't working.

Asher leans over, squinting at the screen.

He taps a few buttons, but the screen remains black.

Makayla

What is it?

Mac watches Makayla - and off in the distance - he hears a little noise - that it seems like only he could hear - he looks out the window glances at the darkening sky, a hint of worry in his voice.

Makayla

Mac what is it?

Makayla

What do you see?

Makayla looks torn, glancing between the malfunctioning equipment and her friends.

MAKAYLA

But we haven't seen anything yet. We can't just give up.

JOCYLEN *(standing up)*

My mom's gonna freak if we're not back soon.

MAKAYLA

Go then Jocylen - we are right in the backyard - tell them we're fine - but go if you need to - go go go go go.

_Jocylen leaves the wigwam...

CUT TO: EXT. DOMINICS'S BACKYARD - NIGHT

Reluctantly, they begin to gather their things. Makayla lingers, staring out at the tall grass with a mix of disappointment and determination.

As they pack up their makeshift surveillance system, the wind picks up, rustling through the grass. For a moment, it almost sounds like whispers carried on the breeze.

Scene 31: INT. NEIGHBOR'S HOUSE - HALLWAY - EVENING

The kids return to the party. Mac approaches Dallas, who's standing alone in the hallway, looking at wall-mounted family portraits--photos of when the kids were little. He looks at his son and smiles.

Dominic

Where were you guys?

Makayla

We were out in the backyard.

Dominic

You showed them the wigwam ? - i Build this girl a tree house but all she wants to do is go put old tvs around the wigwams - tell them Makayla - You out there cookin Lizards - you better watch yourself

Makayla (jokin) I'm joking kid relax - (to Dallas) I gotta check that the girl is not into witchcraft things you kno.

_Bonnie comes out with a big mashed potato plate of mashed potatoes.

Dominic

Alright - let's go - it's time for dinner.

Scene 31a - DINNER TABLE WITH THE DOMINICS

The crew sit around a table filled with bbq fixings and corn. Makyala doesn't eat her food much - Mac and the children set silent.

Dominic

Mac

It's okay.

Dominic

Mac

Dominic They better have snacks - your mother and I give 200 dollars a month - they better get the good stuff - Asher you tell me if you get it

Dominic

ASHER

_Dallas smiles.

Dominic So how do you find it all?

Dallas

Dominic

The weather - no - how do you find it all - what is like being a dad?

Dallas

FADE OUT.

NIGHT

Scene 31b: INT. HOUSE - NIGHT

Dallas begins to go inside, the sound of the breeze from the Long Island Sound rustling through the trees. He pauses, looking out at the sky before stepping through the door. From the corner of his eye - he spots a burn mark near the mailbox.

Dallas walks over and stands over it for a good while.
