Financial Health Tips for the Week

1. **Create a Weekly Budget:** Outline your expected income and expenses for the week. Stick to this budget to avoid overspending.
2. **Track Your Spending:** Use an app or a simple spreadsheet to track every expense. This will help you identify areas where you can cut back.
3. **Set Financial Goals:** Define short-term goals for the week, such as saving a certain amount or paying off a small debt.
4. **Review Subscriptions:** Check all your subscriptions and cancel any that you no longer use or need.
5. **Plan Meals:** Plan your meals for the week to avoid eating out and reduce grocery costs.
6. **Use Cash:** Withdraw a set amount of cash for the week and use it for daily expenses to help control spending.
7. **Avoid Impulse Purchases:** Wait 24 hours before making any non-essential purchase to ensure it's necessary.
8. **Save Spare Change:** Collect spare change in a jar and deposit it into a savings account at the end of the week.

- 9. **Review Financial Statements:** Go through your bank and credit card statements to ensure there are no unauthorized charges.
- 10. **Educate Yourself:** Spend some time reading about personal finance to improve your financial literacy.
